

SUPPORT CAMP LIKE MAX FEARLESS KIDS. STRONG FAMILIES.

Established with the vision of Max Henderson's parents and many supporters, CAMP LIKE MAX focuses on activities that build character, develop skills, offer education, and strengthen the family core.

Your support will help to build and create a place where every child has the opportunity to experience being fearless and finding their own true champion self. CAMP LIKE MAX has been established to support programming and activities that offer an experience to other youth to "live like Max" through sports, the arts, leather and woodworking, rodeo and more. While the camp has its start in public spaces and may stay there for a few years, the permanent home for a year-round camp facility will offer indoor play and riding spaces, outdoor opportunities for camp activities, and a variety of spaces for classes, experiences, and activities that will build and support families.

THE "PITCH"

Plans are carefully being laid to "pitch" our permanent home for CAMP LIKE MAX. This is possible because of supporters like YOU.
